

BIBLE

Bible has been designed keeping in mind the convenience and safety of each of our participants since having fun is the most important factor of this journey.

Apart from listing the do's and the don'ts, The Bible also helps you prepare for the muddy extravaganza. Areas covered are accessory requirements, timings, warm up zones, baggage check in/out and clean up stations and more. Following are some of the details associated with it:

Important points before you roll in the mud

- The event is designed for your fun and hence we expect you to chill and loosen up, but at the same time you must be ever ready to lend a helping hand in case a participant has rolled himself in too much mud.

- We want "The Mud Rush" to be a memorable event for you, hence participating in it under influence of alcohol can ruin the day for everyone. We maintain the following with utmost strictness
 - a. No drinking and driving
 - b. No contraband items in the muddy arena
 - c. Absolute NO for drugs
 - d. No illegal activity against the spirit of sport
 - e. Liquor is prohibited for those below permissible age limit

our security team and staff members keep an eye on every participant and any participant violating these terms will be disqualified and asked to leave the arena immediately.

- We want the beautiful city of Silvassa to remember us for our enthusiasm and not for the litter and garbage that they had to clean once we left. Hence, at "The Mud Rush 2015", we have a strict policy against littering and damaging nature and other items. Urinating at places other than restroom is also not acceptable by any means.

BIBLE

- We know becoming a little more adventurous and going off track can be fun, but not at The Mud Rush. We expect our participants to follow the track and the rules decided by our team.
- To ensure that the event is comfortable, we have put up signs, hoardings, posters, washrooms and drinking water facility at regular intervals.
- The Mud Rush is all about crossing different obstacles like fire, ice, haystack etc. Crossing each one of them can be fun but it is not mandatory to cross all the obstacles. You can always skip one if you don't feel comfortable about it.
- At The Mud Rush we do not impose any dress code; however we expect our participants to come in colorful and visually appealing dresses so that the event looks vibrant and attractive. However we suggest participants to wear clothes, which will allow them to comfortably move around during the game and will not lead to any accidents or injuries.
